

'Lawley Leap' logo design

This summer, Longnor School are proud to be hosting the first running of the Lawley Leap, a new, challenging, running /walking event for all.

The routes (either 6 1/2 miles or 13 miles) will both start and finish at Longnor School and include a climb up and over the Lawley.

We would like pupils to design a logo for the event to be used on all advertising, as well as on the event t-shirt which will be available to all who enter.

Please use the templates on this page for your logo design and your design for the event t-shirt.
